  8. The tender shall be accompanied by an earnest money of **Rs.4,300/- (Rupees Four Thousand**

- Three Hundred only) and Rs.500/- (Rupees Five hundred only)** as tender document cost in the form of Demand Draft / Pay Order/ E-Transaction drawn on any scheduled bank issued in favour of **“Habitat Services Centre” payable at New Delhi.** On the acceptance of the offer, the earnest money amount of successful tenderer will be held as part of initial security deposit for the due and faithful performance of the contract.
- 9. No bidder is exempted from tender fees (non-refundable) and EMD. If tender fees and EMD is not deposited by the bidders, their bids will be rejected.**
  - 10.** Any damage done by the Contractor or his labour to the existing structure/fittings/fixtures shall have to be made good by the Contractor, at his own cost.
  - 11.** Validity for acceptance of the tender will remain open for 90 days from the date of opening of the tender. If any tenderer withdraws his offer before the said period or makes any unacceptable modifications in the terms and conditions of the tender, Habitat Services Centre, without prejudice to any other right or remedy, shall be at liberty to forfeit 50% of the aforesaid earnest money.
  - 12.** The time allowed for completion of work is 30 Days which shall be reckoned from the 7<sup>th</sup> day after the date of issue of award letter.
  - 13. Water and electricity shall be provided to the contractor and contractor shall have to arrange piping/cable from the nearest water and electric point. However, deduction @ 2% towards water and electricity charges shall be made on the gross amount of bill from the contractor.**
  - 14.** The work will have to be carried out as per the latest CPWD specifications, and to the entire satisfaction of Engineer-in-charge.
  - 15. Safety Code :** Contractor will ensure implementation of Safety Code **and other Statutory rules** as per General Conditions of contract **and other Statutory rules conditions for** CPWD works in all cases during execution. HSC will not be held responsible for any mishap/damages of any kind.
  - 16.** The contractor shall submit a certificate along with Each RA bill on the Performa prescribed.
  - 17. If any false document/certificate submitted in tender document is found during evaluation, the participation shall not be considered and EMD deposited will be forfeited. Further Agency will be debarred for future participation in HSC.**
  - 18.** This Notice Inviting Tender shall form part of the contract documents. The successful Bidder, on acceptance of his tender by the competent authority, shall be required to sign the letter of award, the conditions of contract, specifications, enclosures etc. in token of his acceptance within 7 days from the date of issue of the award letter.

**Executive Director**

## SECTION – II

### GENERAL CONDITIONS & CLAUSES OF CONTRACT

1. **Security Deposit :** Security Deposit @5% of the bills (excluding taxes) shall be deducted from Each running payment made to the Contractor. The Earnest Money deposited at the time of submission of tenders shall be set off against the Security Deposit due. The Security Deposit will be released after Defect Liability period. All compensations or other sums of money payable by the Contractor under the terms of this contract may be deducted from his security deposit, or from any sums which may be due to or may become due to the Contractor.
2. **Compensation for delay :** If the work is delayed by the Contractor beyond the stipulated date of completion, penalty shall be imposed @ **1.5%** of the value of work for Each days delay on prorata basis, subject to a maximum of 10% of the amount of work award.
3. **Extension of Time :** Time is essence of this Contract. The Contractor may seek extension of time for completing the work, if such extension is required for reasons beyond the control of the Contractor like exceptionally adverse climatic conditions etc. In such an event, the Contractor shall make a written request to the Engineer-in-charge of HSC as soon as possible after the reason for extension becomes apparent to him. The request made shall give full details of the causes leading to the request and shall also indicate the manner in which the work is proposed to be regulated with the utmost expedition so as to cause minimum delay with reference to the original Time and progress chart. Final decision on grant of extension of time, on the request of the Contractor for completing the work shall be at sole discretion of HSC.
4. **Measurements of work done :**
  - a. The mode of measurement for the entire work shall be in accordance with C.P.W.D. as amended upto date.
  - b. Actual work done & recorded in measurement book will be paid, as per the percentage quoted in the price bid.
5. Any extra, deviated / substituted item if required, to be executed at site, will be done only with prior approval of HSC.
6. The Income Tax shall be deducted as per the prevailing rate of Income Tax Act, 1961 as amended from time to time and any other Statutory Taxes such as Building and Other Construction Workers Welfare Cess etc. will be payable by the Contractor.
7. **Submission / Payment of Bills :**
  - (a) The Contractor shall submit bills for the work done along with details of measurements to be verified / checked by the Engineer-in-charge of HSC or his authorized representative for payment. Any non-schedule items outside bills of quantities are to be listed and billed separately as annexure to the main bill at approved rates or after approval on accepted rates.
  - (b) **RA Bill :** No RA bill shall be paid. Only final payment will be made after successfully completion of the subject work.
  - (c ) No advance on any account shall be paid.

- (c) No escalation on any account shall be paid.
- (d) All payments to the Contractor will be made through e-payment mode/Account Payee Cheque.
8. **Contractor to keep site clean:** During the progress of work the Contractor shall keep the site reasonably free from all unnecessary obstructions. The existing roads or water courses or pipes, electrical lines and conduits except those which are concurrent with the subject work's requirement shall not be blocked, cut through, altered, diverted or obstructed in any way by the Contractor, except with the permission of the Engineer-in-charge in writing. All water which may accumulate on the site during the progress of the works, or in floor, trenches and excavations, shall be removed promptly from the site to the satisfaction of the Engineer-in-charge and at the Contractor's expenses.
9. **Materials Plant & Machinery:** No material shall be issued by HSC and the Contractor shall have to arrange all the materials at his own cost. The rates indicated against Each item in the schedule of Quantities shall be deemed to compensate for all minor constructional details which are not specifically mentioned, but are fairly and obviously intended and are essential for the full and final completion of the works and the Contractor is not entitled to make any extra claims on this account. **The Contractor shall at his own expenses, provide all the materials, scaffolding, welding machine, Hammer Drill etc., tools and tackles required for the work.** The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & tackles, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents.
10. **Dismantled materials HSC Property:** All useful materials (obtained from dismantling/ demolition) and articles of value, etc., which are found during the excavation or any other work, should be removed to HSC's stores and stacked there neatly as directed at no extra cost and handed over to the HSC at place marked at site.
11. **Work to be executed as per specifications, drawings, orders:** The work will have to be carried out as per the latest CPWD specifications, where not specified and to the entire satisfaction of Engineer-in-charge.
12. All doubts/clarifications require if any, in the terms and conditions, technical specifications specified in this document including those not specifically indicated therein and Labour Laws, safety norms, quality assurance etc. shall be as per latest CPWD norms/guidelines.
13. **Suspension / Cancellation of Works:** The Engineer-in-charge shall have the right to require the discontinuance of the work in whole or in part for such time as may be necessary, should any condition of work or whether other contingencies make it desirable to do so in order that the works shall be well and properly executed. Extension of time shall be granted to the Contractor for discontinuance of work so required provided entire work was ordered to be suspended. No other claim in this respect for compensation or otherwise, however, shall be admitted.
14. **Deviation / Variation in Quantities of Work:** Quantities of work done may increase or decrease as per the site conditions. As a result of variations ordered, the quantities of individual items of work done, omitted, altered and substituted could vary without any price adjustment. However, overall contract sum shall not be varied by more than plus or minus 25% (twenty five percent). In case the amount of variations ordered (algebraic sum) exceeds 25% (twenty five percent) of the contract sum, the work ordered in excess of the maximum deviation limit shall be priced as per CPWD guidelines.
15. All the dismantled material/malba are to be kept in bags and shall have to be removed time to time from the working place.

## SECTION – III

### Other Terms and Conditions

1. A site order book and hindrance register will be kept in the Engineer-in-charges office and all day to day instructions to the Contractor will be written in that book. The Contractor or his representative shall report every day to see these instructions and sign them at the bottom in token of his having seen them for compliance.
2. The Contractor shall not allow his workmen to put up any unauthorized hutments, canteens or tea-shops, etc. on the site.
3. The Contractor shall provide and employ on the site in connection with the works only such efficient and competent Engineer and Supervisor and other skilled, semi-skilled and un-skilled labour as are necessary for the proper supervision and timely execution of the works. Orders given to the Contractor's Engineer/Supervisor shall be considered to have the same force as if these had been given to the Contractor himself. Contractor should provide details of the Engineer/Supervisor deployed by him at site (Name, Address, Mobile No., e-mail etc.).
4. No interest shall be payable on any money due to the Contractor against earnest money, security deposit, interim or final bills or any other payments due under this contract.
5. The Contractor shall work only during the working hours or as approved/directed by the Engineer-in-charge unless he obtains the prior written approval of the Engineer-in-charge to do otherwise. If such approval is given, no liability in respect of any excess cost arising there from shall be borne by the HSC.
6. **Safety Measures:** During execution of work, unless otherwise specified, the Contractor shall at his own cost provide all the materials and execute all works necessary for the stability and safety of all structures and works and shall ensure that no damage, injury or loss is caused or is likely to be caused to any person or property including labours / workers of the Contractor, occupants / visitors and other users of the premises, as per CPWD norms.
  - a) In case of dismantling / demolition, the Contractor shall take necessary care not to damage the existing structure / materials while executing the proposed work, and any damage, if caused, should be rectified by the Contractor at his cost ( within quoted amount) so as to restore the structure / materials as they existed earlier.
  - b) The Contractor shall not at any time do cause or permit anyone to do or cause any nuisance on the site or do anything which shall cause unnecessary disturbance or inconvenience to the Engineer-in-charge or to the owners, tenants or occupiers of other properties near the site and to the public generally.
  - c) **Safety Code:** Contractor will ensure implementation of Safety Code as per General Conditions of Contract for CPWD works in all cases during execution. HSC will not be held responsible for any mishap / damages of any kind. The Contractor is not exempted from the operation of any Act or Rule in the Republic of India.
  - d) The Contractor shall indemnify and keep indemnified HSC against all losses and claims for injuries or damage to any persons or any property whatsoever which may arise out of or in consequence of the construction and maintenance of the works and against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation thereto will be borne by Contractor.
  - e) During progress of work in any thoroughfare; the Contractor shall make adequate provisions for the passage of traffic, for securing safe access to all person/vehicles in premises. The Contractor shall not create any nuisance disturbance to the nearby occupants of the building and other public.

7. In the event of any accident or failure occurring or being likely to occur in or in case of any urgent works which, in the opinion of the Engineer-in-charge, required immediate attention either during the work period or the defect liability period, the Engineer may direct the Contractor by written notice to take necessary remedial action and if the Contractor fails to take action as directed by the Engineer-in-charge within reasonable period subjected to maximum 3 days of such notice, the HSC may, by its own workmen or employing any other agency, make the necessary or precautionary works and recover the costs from the Contractor and be adjusted or set off against any sum payable to him.
8. All material to be provided by the Contractor shall be in conformity with the specifications laid down or referred to in the contract and the Contractor shall, if requested by the Engineer-in-charge, furnish proof, samples to the satisfaction of the Engineer-in-charge that the material so comply.
9. All materials and plant after immediately being brought by the Contractor upon the site or on the land occupied by the Contractor in connection with the works shall be deemed to be the property of the HSC and shall not be removed from the site without the prior written approval of Engineer-in-charge . Such of them as during the progress of the works are rejected by the Engineer-in-charge or are declared by him not needed for the execution of the works or such as on the grant of the Certificate of completion remain unused shall, immediately on such rejection, declaration or grant of completion certificate, cease to be deemed as the property of the HSC and the Contractor may then (but not before) remove them at his own cost from the site or the said land after obtaining written approval of the Engineer-in-charge. This clause shall neither in any way dismiss the liability of the Contractor nor shall the HSC be in any way answerable for any loss or damage which may happen to or in respect of any such materials or plant either by the same being lost, stolen, injured or destroyed due to fire, tempest, floods or otherwise.
10. If any work, be suspended by reasons of rain, strike, lock-outs, or other causes, the Contractor shall take all necessary precautions for the protection of works and shall at his own expense make good any damage arising from any of these causes.
11. As a part of the work included in this contract, the Contractor shall completely remove and satisfactorily dispose off all temporary works to the extent directed & shall satisfactorily dispose off all rubbish resulting from the operations under this contract and shall do all work necessary to restore the territory embraced within the site of his operations to at least as good order and conditions as at the beginning of the work under this contract.
12. No compensation for cancellation / reduction of works: If, at any time after the commencement of work, the HSC shall decide that the whole work or any specific part thereof is not required to be carried out, necessary notice in writing shall be given to the Contractor. The Contractor shall take immediate action to stop all activity relating to the cancelled work. The Contractor shall have no claim to any payment or compensation or otherwise whatsoever on account of any profit or advantage which he might have derived from the execution of work in full but which he did not derive in consequence of the foreclosure of the whole or part of the work.
13. The provision of an item in the bill of quantities will not entitle payment for the same in case it forms part of any other item as per specifications, special conditions of contract though the same may have not been specifically described in the description of the item(s).
14. The Contractor shall report to HSC on getting communication from HSC regarding any defect within 4 hours and get the same rectified within reasonable time as directed by Engineer-in-charge.
15. If Contractor fails to response, then the work will be carried out through other Agency under the risk and cost of the Contractor, and amount will be deducted from the subsequent Running Account Bill of the Contractor.

16. The Contractor will have to execute the work, where other agencies are also working, according to the convenience of the other agencies, after fixing the programme with them.
17. Any damage done by the Contractor or his labour to the existing structure fitting / fixtures and any other property shall have to be made good by the Contractor, at his own cost.
18. Water shall be made available by HSC and the Contractor shall have to arrange piping from the nearest water point at site. However, recovery on this account shall be made as per Clause-13 of Section-I.
19. For use of electric power, if required, power shall be supplied to the Contractor at a place nearer to work place. Cable shall be arranged by the Contractor at his own cost and safety precaution will be adhered to strictly. However, recovery on this account shall be made as per Clause-13 of Section-I.
20. **Rates of items :** Unless otherwise provided in the Schedule of Quantities, the rates tendered by the Contractor shall be inclusive of all leads & lifts to all heights & depths of the building & nothing extra shall be payable to him on this account.
21. Defective work, substandard work or work not done according to specifications of the contract shall be liable for summary rejection and shall not be measured and paid for. This shall be without prejudice to taking any other action against the Contractor in accordance with the terms and conditions of the contract.
22. The Contractor shall furnish all guarantee/warranty etc. for all works as per CPWD norms.
23. The contractor has to work in such a manner that the water supply to the offices should not disturb. To restore the supply contractor to make arrangement of its own.
23. **Defect Liability Period**  
Defect Liability period for the work (other than as indicated in Clause-15 of Section-I) would be of **One Year** from the date of completion of work. If any defect(s) arise during the defect liability period the same shall be attended/rectified/removes by the contractor, from its own sources and within a period of 5 days from the date of issue of notice by HSC. If the contractor fail to attend/rectified/remove the same within this period the same shall be carried out by HSC departmentally. The cost/expenditure so incurred by HSC along with 15% overheads, shall be recovered from the security deposit of the contractor.
24. **ARBITRATION:**
  - a. Except where otherwise provided for in the contract, all question and disputes relating to the meaning of the specifications, and instructions herein before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out on or relating to the contract, specifications, instructions, orders or these conditions or otherwise concerning the works, or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the **Sole Arbitrator to be appointed** as per Arbitration and Conciliation Act 1996.
  - b. The Arbitrator may from time to time with consent of the parties enlarge the time for making and publishing the award.
  - c. The work under the contract shall, if reasonably possible, continue during the arbitration proceedings, and no payment due or payable to the Contractor shall be withheld on account of such proceedings.
  - d. The Arbitrator shall be deemed to have entered on the reference on the date, he issue notice to both the parties fixing the date of the first hearing. The Arbitrator shall give a separate & reasoned award in respect of each dispute.
  - e. The venue of arbitration shall be within Delhi, such place, as may be fixed by the Arbitrator with his sole discretion within Delhi.
  - f. The award of Arbitrator shall be final, conclusive and binding on all parties to this contract.
  - g. The cost of arbitration shall be borne by the parties to the dispute as may be decided by the Arbitrator.
